

This exercise classroom discussion of brief presentations of project proposals.

1. List the members of your group below. Underline your name.
  
2. Critique the class presentations. Include the following for each:
  - (a) presenter; title; advisor;
  - (b) main idea in a sentence or two;
  - (c) three strengths and three weaknesses;
  - (d) major tasks and their place in the onion figure discussed earlier.

[additional space for answering the earlier question]
