

**Today:** Starting and ending presentations.

**Next class:** Practice presentation starts and ends. Come prepared, with slides.

1. List the members of your group below. Underline your name.
2. List five significant items that should be addressed in the first two minutes of a Capstone presentation.
3. Repeat Question 2 for the last two minutes instead of the first two.
4. Depict the first slide of your presentation.

5. Depict the slides for the first two minutes of your presentation.

6. Repeat Question 5 for the last two minutes instead of the first two.

7. Critique of the above, by:
