

1. List the members of your group below. Underline your name.
2. Evaluate the assigned poster using the rubric outlined in class and summarized by the following table.

Item	Pts.	Abbr.	Score	Comments
reasonable submission	5	RS		
project title matter	5	PT		
problem statement	5	PS		
related work discussion	5	RW		
references	5	RF		
plan	5	PL		
evaluation plan	5	EP		
language and presentation	5	LP		
graphics	5	GR		
level of completion	5	LC		
format, fonts, colors	5	FO		
response to comments	5	RE		
	60			

3. Provide three additional items that may be relevant for evaluating posters, with brief descriptions.

4. Referring to the textbook's guidelines on posters, list three that the reviewed poster follows most closely. List also three guidelines from which the poster diverges the most.

5. Provide five concrete suggestions for revising the poster that are likely to yield the greatest improvements.
